

Industrial Laborer (Rubber Lining Technician)- Leetsdale, PA

Abtrex Industries is a well-established industrial company looking for hardworking individuals willing to learn the rubber lining trade. Rubber lining is a premium form of corrosion protection for metal surfaces, and is typically installed inside large industrial steel tanks, vessels, or pipes.

Experience in the rubber lining trade is not necessary; training will be provided. Abtrex Industries also provides repair, welding, sandblasting, painting and other fabrication services for steel and fiberglass equipment, we are also looking for these positions. Applicants with previous experience in these areas or a motivation to learn new skills are highly desired.

Requirements:

- 18 years of age or older
- Valid driver's license with acceptable driver record
- Willingness to travel up to 75%
- Willingness to work extended hours and weekends when necessary
- Willingness to work in confined spaces and outdoors
- Detail-oriented
- Ability to occasionally lift up to 75 pounds
- Ability to work with a team
- Subject to a pre-employment background check
- Subject to a pre-employment drug screening

Standard shop hours are Monday-Friday, 7AM-3:30PM. However, field job assignments sometimes require extended travel and may have extended working hours of 6-7 days per week, 10-12 hours per day until the assignment is complete. Field job assignments are supplemented with an hourly rate bonus, and when overnight hotel stays are necessary, a per diem allowance is also provided.

If you take pride in quality work and are seeking opportunities to learn new skills and advance your career, please apply through Indeed today!
