

FRP Technician- Leetsdale, PA

Would you like to:

- Work and learn from industry leading professionals?
- Further your career in the corrosion protection industry?
- Receive fair compensation and great benefits for your hard work?
- Have time to enjoy life to the fullest?

At **Abtrex Industries**, we all work together doing exactly that and truly appreciate and acknowledge an individual's passion for their trade. We are a leader in the fields of:

- Rubber lining
- Fiberglass reinforced plastic (FRP)
- Protective coatings

Since 1969, we have united employees who share our values to help protect our customer's assets and the environment from harmful materials. It's as simple as that.

We are currently looking for **FRP Technician** to join our team in Leetsdale, PA. If you have FRP experience this role will be a great fit.

You will love it here if you:

- Get it done
- Believe reputation is key
- Are growth oriented
- Focus on safety

Responsibilities

- Prepare and mix material for FRP fabrication
- Apply fiberglass and resin layers
- Inspect finished products for quality and defects
- Install FRP materials in the shop and at clients' facilities
- Maintain tools and equipment
- Follow safety protocols
- Assist with other duties as assigned to ensure projects are completed in timely manner and to a project specification

Qualifications

- Minimum of 3 years of experience working as FRP Technician/Applicator
- High school or GED degree. Experience may be substituted for formal education
- Must have experience in testing composite FRP materials and a thorough understanding of their behavior

- Knowledge of quality control systems and FRP
- Valid driver's license
- Willingness to travel up to 50%
- Work extended hours and weekends when necessary
- Ability to work in confined spaces and outdoors

Benefits offered by the company:

- 401(k)
- 401(k) matching
- Dental insurance
- Health insurance
- Health savings account
- Life insurance
- Paid time off
- Vision insurance
- Short Term Disability

Hired applicants must be able to pass a drug screen and background check.

Standard shop hours are Monday-Friday, 7AM-3:30PM. However, field job assignments sometimes require extended travel and may have extended working hours of 6-7 days per week, 10-12 hours per day until the assignment is complete. Field job assignments are supplemented with an hourly rate bonus, and when overnight hotel stays are necessary, a per diem allowance is also provided.

If you take pride in quality work and are seeking opportunities to learn new skills and advance your career, please apply through Indeed today!

Salary: **DOE**, starting from \$23/hr
