

Would you like to:

- Work with industry veterans that are dedicated to transferring knowledge.
- Make your mark in the world of corrosion control?
- Receive fair compensation and great benefits for your hard work?
- Have time for life?

At **Abtrex**, we progressively strive to provide quality products and services to our clients. Team members that want to make an impact are essential to our long-term strategy. We are renowned specialists in engineering, fabrication, rubber lining and protective coatings, serving a variety of industrial industries.

Since 1969, we celebrate employees who share common values focusing on the protection of our customer's assets and the environment from harmful conditions; it is simple as that.

We are seeking a skilled **Fitter/Fabricator/Welder** to join our team in Leetsdale, PA. If you have welding experience, this role offers an excellent opportunity to enhance your skill set with comprehensive training opportunities. Your growth is up to you!

Responsibilities

- Read and follow printed routing steps and/or instructions.
- Understand blueprints and drawings (required).
- Understand all specifications and hold the finished product to specified tolerances.
- Maintain a high degree of aesthetics for the overall professional appearance of the finished product.
- Tig weld and Mig weld all types of steel.
- Follow procedures to fabricate project to specification.

Qualifications

- Minimum of 3 years of experience working as welder
- Fitter/fabrication experience a plus
- Certification preferred but not required.
- Good verbal and written communication skills.
- Advanced mechanical and mathematical abilities.
- In-depth knowledge of safety practices and rules associated with working in a weld shop.
- Demonstrated ability to properly sequence and accurately assemble parts.
- Familiarity with metalworking tools, measuring instruments and machinery.
- Must pass required weld testing per ASME/AWS specifications within 180 days of employment.
- Reliable attendance is a must.
- Valid driver's license.
- Willing to travel occasionally.
- Willingness to work extended hours and weekends when necessary.
- Willingness to work in confined spaces and outdoors.

Benefits offered by the company:

- 401(k)
- 401(k) matching
- Dental insurance
- Health insurance
- Health savings account
- Life insurance
- Paid time off
- Vision insurance
- Short Term Disability

Hired applicants must be able to pass a drug screen and background check.

Standard shop hours are Monday-Friday, 7AM-3:30PM. However, occasional travel for field assignments may be required. These assignments sometimes require extended travel and may have extended working hours of 6-7 days per week, 10-12 hours per day until the assignment is complete. Field job assignments are supplemented with an hourly rate bonus, and when overnight hotel stays are necessary, a per diem allowance is also provided.

If you take pride in quality work and are seeking opportunities to learn new skills and advance your career, please apply through Indeed today!
