

PAINTER – Cross-Trained in Rubber Lining- Leetsdale, PA

Join Abtrex Industries and Build a Career!

Abtrex Industries, a trusted leader in corrosion- and abrasion-resistant linings and coatings for nearly 60 years, is looking for an **Industrial Painter** to join our team! This position focuses on the application of industrial coatings such as epoxies, urethane, and vinyl esters. This position will be cross trained for **Rubber Lining**, expanded skills and career growth opportunities.

Abtrex has clients in industries such as steel, chemical, food processing, power generation, and mining across the U.S. and abroad. We value hands-on skills, teamwork, and commitment. Abtrex is dedicated to doing things right the 1st time!

What You'll Do:

- Surface preparation and assessment to AMPP standards (NACE/SSPC) relating to abrasive blasting, hand tool cleaning and visual standards.
- Basic knowledge of mixing two-component coating systems (zinc, epoxy, urethane, vinyl ester).
- Maintain and operate airless and air assisted sprayers, guns, brushes, and rollers.
- Basic QC documentation to include surface cleanliness, profile, wet film, dry film and holiday testing.
- Maintain a clean and safe work environment.
- Follow all safety and quality control procedures.

What We Offer:

- Competitive pay **starting at \$22+/hour**, based on experience.
- Full-time, stable work with overtime opportunities.
- Paid training, including hands-on cross-training in rubber lining.
- Health benefits, retirement plans, and paid time off.
- Travel perks: Field wages, per diem, and all travel expenses covered for field projects.
- PPE and boot allowance provided.
- Employee recognition program and strong internal promotion opportunities.

What You'll Need:

- Must be 18 years or older.

- Experience applying industrial coatings (zinc, epoxy, urethane, vinyl ester, or similar).
- Valid driver's license with a clean record.
- Willingness to travel up to 50% (expenses covered).
- Comfortable working extended hours and weekends when needed.
- Ability to work in confined spaces and outdoor environments.
- Must be detail-oriented and able to follow specifications closely.
- Ability to lift up to 75 lbs.
- Must pass pre-employment background check and drug screening.

Benefits offered by the company:

- 401(k)
- 401(k) matching
- Dental insurance
- Health insurance
- Health savings account
- Life insurance
- Paid time off
- Vision insurance
- Short Term Disability
- HR recognition platform

Work Schedule:

Our shop hours are Monday–Friday, 7:00 AM – 3:30 PM, with occasional extended or weekend hours for special projects. Field assignments may require travel and shifts of 10–12 hours per day, 6–7 days a week, until project completion. Field jobs include bonus pay and per diem for overnight stays.
