

## **Experienced Industrial Fiberglass Laminator**

Abtrex Alabama, LLC is a trusted leader in corrosion- and abrasion-resistant solutions, and we are looking for an experienced Industrial Fiberglass Laminator to join our team. Since 1969, we have built our company by bringing together skilled employees who share our values and take pride in protecting our customers' assets and the environment.

Our customers include companies in the steel, chemical, food processing, power generation, and mining industries, serving operations across the United States and abroad.

Abtrex's core expertise lies in Fiberglass Reinforced Plastic fabrication and rubber linings. If you want to be part of a team that consistently delivers high-quality work and takes pride in doing things right every day, Abtrex Alabama is a great place to build your career.

### **What You'll Do:**

- Read and follow printed routing steps and/or instructions.
- Cut/trim fiberglass mat.
- Hand-Layup fiberglass materials to specified thickness.
- Prepare fiberglass pipes, fittings, flanges, etc. for fabrication.
- Use hand and power tools for surface preparation.
- Accurately record work hours and materials per job, per day.
- Maintain a clean and safe work environment.
- Follow all safety procedures for working in a fiberglass shop.

### **Requirements:**

- Must be 21 years or older.
- Have a valid Driver's License and clean driving record.
- Willingness to travel for field projects.
- Willingness to work overtime and weekends when needed.
- Ability to work in confined spaces and in outdoor environments.
- Must be detail-oriented and able to follow written and verbal instructions.
- Ability to lift up to 50 lbs.
- Must pass pre-employment background check and drug screenings.
- Reliable transportation to and from work.

### **Education:**

- High school or equivalent (Preferred)

### **License/Certification:**

- Driver's License (Required)
- TWIC (Preferred)
- OSHA 10 (Preferred)
- Basic Plus (Preferred)

### **Work Schedule:**

Our shop hours are Monday–Friday, 7:00 AM – 3:30 PM, with occasional extended or weekend hours for special projects. Field assignments may require travel and shifts of 10–12 hours per day, 6–7 days a week, until project completion. Field jobs include bonus pay and per diem for overnight stays.

**Pay starting** at \$20 per hour. More depending on experience.

### **About Abtrex Industries**

Our company operates on the Entrepreneurial Operating System (EOS), meaning you can expect leadership that provides clear direction, ensures you have the tools and support needed to succeed, acts in the best interest of the team and company, and delegates responsibilities appropriately. Our leaders take the time to understand your role and how your work contributes to the organization, set clear expectations, meet with you one-on-one, and consistently recognize and reward strong performance.
