

Founded in 1969, Abtrex Industries has been delivering engineered industrial solutions for nearly 60 years. We are a leading rubber lining company specializing in corrosion-resistant systems for the rail industry. We are an Association of American Railroads–certified shop, with core expertise in rubber lining, lining inspections, and railcar lining repair.

Known for our engineering expertise, quality execution, and long-term customer partnerships, Abtrex helps customers extend asset life, improve safety, and reduce total cost of ownership.

We are currently seeking a **Rubber Lining Technician** to join our team in **Orange, Texas**.

Responsibilities:

- Perform surface preparation
- Apply rubber linings using various techniques
- Inspect materials and completed work to ensure compliance with quality standards and specifications
- Measure, cut, and fit rubber materials accurately to equipment surfaces
- Safely operate tools and equipment including forklifts and material handling devices
- Follow all safety procedures, policies, and PPE requirements at all times
- Maintain a clean, organized, and efficient work area
- Assist with loading, unloading, and transporting materials and equipment
- Travel to customer sites to perform on-site rubber lining installations and repairs
- Collaborate with team members and supervisors to meet production goals and deadlines
- Identify opportunities for process improvement and contribute to continuous improvement efforts
- Perform routine equipment maintenance and report any issues promptly

Requirements

- Minimum 2 years of rubber lining experience (required)
- Valid Texas driver's license and dependable transportation
- Ability to lift up to 75 lbs regularly
- Forklift experience preferred
- Strong attention to detail with the ability to work efficiently in a production environment
- Willingness to travel and perform work at customer locations (per-diem allowance and field rates included)
- Strong work ethic, reliability, and team-oriented mindset

- Hired applicants must be able to pass a background check and drug screening
