

Join Abtrex Industries and Build a Hands-On Career!

Abtrex Industries, a company with nearly 60 years of success and growth, is looking for Rubber Lining Technicians—both experienced professionals and entry-level candidates eager to learn and grow with us.

At Abtrex, we specialize in custom fabrication with a focus on abrasion- and corrosion-resistant linings and coatings, particularly vulcanized rubber. Our clients span industries such as steel, chemical, food processing, power generation, and mining worldwide.

We provide training, support, and career growth opportunities in a team-oriented environment.

What You'll Do:

- Apply rubber lining to surfaces like tanks and pipes.
- Prepare materials and work areas for installation.
- Use hand and power tools for surface preparation.
- Assist with quality control and proper application.
- Follow all safety protocols and procedures.

What We Offer:

- **Competitive pay** (starting at \$20+/hour, based on experience—negotiated at your interview).
- **Full-time, stable work** with overtime opportunities.
- **Paid training** for new hires.
- **Health benefits, retirement plans, and paid time off.**
- **Travel perks:** Field wages, per diem, and all travel expenses covered for field projects.
- **PPE and boot allowance** provided.
- **Employee recognition program** to celebrate achievements.
- **Career advancement opportunities**- we promote from within!

What You'll Need:

- Must be **18 years or older.**

- **Valid driver's license** with a clean record.
- **Willingness to travel up to 75%** (expenses covered).
- Comfortable working **extended hours and weekends** when needed.
- Ability to work **in confined spaces and outdoor environments**.
- **Detail-oriented** and able to follow instructions precisely.
- Ability to **lift up to 75 lbs occasionally**.
- Strong **team player** mindset.
- Must pass **pre-employment background check and drug screening**.

Work Schedule:

Our shop hours are Monday–Friday, 7:00 AM – 3:30 PM. However, field assignments may require extended travel with shifts of 10–12 hours per day, 6–7 days a week, until the project is complete. Field jobs include bonus pay, and per diem for overnight stays.
